

Grant Application Guidance Notes

RETROSPECTIVE PAYMENTS WILL NOT BE MADE

HOLIDAY APPLICATIONS

Applicants are warned not to make any commitment, financial or otherwise, prior to hearing the outcome of their application.

Medical Criteria

Ecas follows the EHRC guideline that: "You are disabled under the Equality Act 2010 if you have a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.

- 'substantial' is more than minor or trivial, e.g. it takes much longer than it usually would to complete a daily task like getting dressed
- 'long-term' means 12 months or more, e.g. a breathing condition that develops as a result of a lung infection."

However, please remember that Ecas only provides support to people who have a physical disability. We regret that the following conditions do not meet the criteria for the Ecas Grants scheme:

Arthritis, back pain, cardio-respiratory conditions, obesity, psychiatric disorders, learning difficulties, behavioural disorders, developmental delay, Down's syndrome, autism, visual or hearing impairment, cancer, diabetes, HIV and epilepsy.
