

## Finance and Personnel Committee Member Overview

Ecas is seeking to recruit new Members for its Finance and Personnel Committee. We are looking for individuals to fill skills gaps in the areas of legal practise and human resources.

Ecas is an Edinburgh based charity and was established over a hundred years ago. The charity works to improve the quality of life of physically disabled people in the Edinburgh and Lothian area: promoting equality, choice and participation through our activities, befriending service, grants and young people's service (currently on hold).

The purpose of the F&PC is to advise the Board on the investment of Ecas' assets and oversee implementation of the Board's strategic policies relating to finance, personnel and health & safety. The focus of the F&PC and Board is to continue the policy of maximising benefit to disabled people whilst keeping expenditure under control.

Whilst the financial situation for charities, including Ecas, continues to be a challenge as we emerge from the pandemic, Ecas is in a fortunate position that it is solvent. The charity is largely self-financed from income from its own investment portfolio, (worth circa £5m) which may allay concerns of those working in the finance or legal sectors looking to volunteer and contribute skills to a charitable organisation.

We value diversity, promote equality and encourage applications from people of all backgrounds.

If you would like to apply, please complete the Application form, Equal opportunities form (optional) along with your CV and email to [ally@ecas.scot](mailto:ally@ecas.scot). Applicants are required to complete the Protection of Vulnerable Groups (PVG) process as part of their application.

If you would like to discuss the opportunity of joining the committee or have questions about completing your application, please contact me on 07500 221 618.

I look forward to hearing from you.

Yours sincerely,

Ally Irvine  
Chief Executive

## **Ecas mission statement**

Ecas promotes equality, choice and integration for physically disabled people. We promote opportunities for physically disabled people to be self-fulfilled and to participate in all aspects of society. We also work to promote disability equality throughout society.

## **Time Commitment**

The Finance and Personnel Committee meet 3 times per year in the late afternoon. Members are also asked to attend Ecas' AGM. Committee Members also have the opportunity to apply to become a Board Director. Directors can also get more involved in areas of particular interest by taking on specific appointments or participating in ad hoc sub-committees. Positions which are always filled by a Director include: The Chair and Vice Chair of Ecas; the Chair of the grants committee; and the Chair of the Finance & Personnel Committee (F&PC).

## **Board/F&PC structure**

Ecas is a company limited by guarantee, governed by the Board of Directors who are also the charity's trustees. The purpose of the F&PC is to advise the Board on the investment of Ecas' assets and oversee implementation of the Board's strategic policies relating to finance, personnel and health & safety. The Board has a maximum of twelve places; whilst the F&PC has no official limit to the maximum number of Members within the Committee, a limit mirroring Board capacity of twelve would make sense. Training is available to help Committee Members and Directors fulfil their role.

## **Staffing structure**

Ecas currently employs 15 people. This includes full time and part time posts. The office team is comprised of the Chief Executive, Befriending Manager, Befriending Assistant, Administrator and Social Media/Website Coordinator. Remaining staff are responsible for delivering our activities, which include art, crafts, music, reading and creative writing, swimming, seated tai chi and chair yoga.

## **Funding**

Ecas is largely self-financed from income from its own investment portfolio but is also proactive in fundraising to raise the necessary funds to continue the core activities agreed by the Board.

## **Remuneration**

F&PC Members are volunteer positions and are therefore unpaid. Individuals who have a physical disability under Ecas' eligibility criteria can claim travel expenses.
