Ecas Activity Application Form – Additional Information

Please read the following notes carefully:

1. Criteria

Ecas activities are open to physically disabled* adults (aged 18 or over) resident in Edinburgh and Lothian.* We used the Equality and Human Rights Commission definition:

"You are disabled under the Equality Act 2010 if you have a physical or mental impairment that has a 'substantial' and 'long term' negative effect on your ability to do normal daily activities."

- 'substantial' is more than minor or trivial, e.g. it takes much longer than it usually would to complete a daily task like getting dressed.
- 'long term' means 12 months or more, e.g. a breathing condition that develops as a result of a lung infection.

However, Ecas support people only with a physical disability. The following conditions, on their own, do not meet the definition: psychiatric disorders, learning difficulties, behavioural disorders, developmental delay, Down's syndrome, autism, visual or hearing impairment, cancer, diabetes, epilepsy, HIV and back pain.

2. Type of activities

We run activities in art, crafts, computing, music for fun, reading and writing, yoga, and seated tai chi. Participants range from beginners to more experienced learners. We encourage mutual learning and sharing in a friendly, informal and safe atmosphere.

Ecas acknowledge that some service users may need some support to meet transport costs and service users can apply for a transport grant. Contact the office for full details or download form from our website.

4. Fees

Fees are currently £2.30 per session.

5. Frequently asked questions

1. How do I pay?

We ask service users to pay termly, preferably via bank transfer.

2. How long can I continue to participate in my chosen activity?

As long as you continue to meet the criteria stated above.
