Background

Ecas is an Edinburgh based charity and was established over a hundred years ago. The charity works to improve the quality of life of physically disabled people in the Edinburgh and Lothians area: promoting equality, choice and participation through our activities, befriending service and grants. Provision of activities for physically disabled adults is one of Ecas' core aims. Groups are likely to be of mixed ability and to have varied physical disabilities.

The Role

The broad objective of the role is to assist the Group Leader with the smooth running of Ecas weekly art groups. We currently have opportunities in our Art Groups on Wednesday and Friday afternoons. The role will involve the volunteer in undertaking a variety of tasks, including one-to-one support to participants who are adults with physical disabilities and building an ongoing supportive relationship with them. Our art groups are lovely and vibrant and love to be creative.

- Encourage sharing of ideas and helping develop new projects in conjunction with the Group Leader.
